We met, and jet,
E'en as we met,
The time had come for parting:
The train
That was to bear me off again
Was starting. She grasped my hand and murmured low, Oh! how I have longed to see you, Joe!" And, in a voice deep and profound, I said, "Why don't you pass 'em round?"

And then she rose
Upon her toes,
While I did fondly hover
Upon the steps above her.
In valu! That train—
If I may mention it again—
Was starting.
Oh! why should fate so interpose
Itself between us and our bilss?
Her kiss
Lit on my nose.

Wholesale and Retail - Armstrong d Naill, Nos. 350, 352 and 354 Main Street.

We were attracted to the above establish ment yesterday by the immense rush of busi ness at their doors, and, once there, we could not resist the temptation to take a look at the contents of this wast establishment. which has within the past few years grown into such large proportions. We were met near the door by the enterprising proprietor (Mr. Naill), who, with his usual cleverness, would show and explain everything, from side to side, and from bottom to top, of all three of the stores, each of which is apparently stored to its utmost capacity with the most choice stock of furniture, carpets, etc., that it has been our good fortune to look uson for "lo, these many days," and we are informed that their receipts of new goods of all kinds for the past few days have been so great that the force of several wagons has been inade-quate to remove them from our wharf. Not-withstanding the general rush and hurry natural to the large, hasty movements of merchandise of all kinds and particularly so of furniture, where almost each piece requires the aid of the packer, the systematic working of this establishment is so perfect that everything is apparently in its place. There is no jarring or noise in the entire working of the host of employes engaged by this firm. On the first and second floors we found the amples, as it were, of every variety of fur

niture for household use, an endless variety gautly finished and at such extreme low prices that we were actually surprised On inquiring, we were informed by the buyer (Mr. Naill) that the almost entire stock had been purchased by himself for cash during the early part of the summer, and before the advance and rush, which fact explains their immense receipts and extreme low prices. Their parlor sets are "just perfectly beauti-ful," and are arranged in such taste as to elicit the praise of all who have been so for tunate as to erjoy the sight. They appear in every tasteful color, in reps, sattines, raw silks, terrys and bair cloths, of the most elaborate designs and cleant finish. This firm have made these lines of goods a specialty, and are not only prepared to offer a greater variety than any other house in the south, but at such prices as are beyond competition. Their carpets, oilcloths, rugs, mats, window shades and mirrors, are in too wast a quantity and endless variety trattempt at detail in our limited space. Suffice to say, that the thoughtful proprietor has anticipated the varied tastes of his numerous patrons, which enable all to be pleased in style, color and price. Their mattresses are the production of their own manufactory, and are guaranteed in every respect as represented. We peeped into the upper stories and the cellars, all of which are stored full to overflowing, and returned to

Weens & Potten-Gentlemen: My little son, two years of age, has had a humor on one side of his face since he was born, which during the last four months has spread over the entire side of the face, the chin, ear, and side of the head. It must have itched and irritated him a great deal, as he scratched the surface all the time, no matter what was applied. MESSES. WEERS & FOTTER-Gentlemen: Inclosed please find one dollar for a large box of Cuticura. Mason, Texas, Sept. 22, 1878. Mason, Texas, Sept. 22, 1878.

Outicura is a most valuable external application, it heals all cuts, bruises, and abrasions of the skin, restores the bair when destroyed by scalp diseases, removes dandruff, and keeps the scalp clean and the hair soit and pliable. It is as agreeable as it is effective, and is ably assisted, in every case, by the Cuticura Soap, which is pa ticularly recommended to mothers for cleansing the skin and scalp of infants and children. It is Tollet as well as Medicinal, and is the most fragrant and refreshing Soap for the nursery and bath of any yet prepared.

Parents have our assurance that these remedles contain nothing injurious to the youngest infant, evidence of which may be found in the certificates of Dr. Hayes and Prof. Merrick accompanying each remedy.

The Cuticura Remedies are prepared by Weeks & Potter, Chemists and Druggists, 360 Washington street. Boston, and are for sale by all Druggists. Price of Cuticura, small boxes, 50 cents; large boxes, \$1. Resolvent, \$1 per bottle. Cuticura Soap, 25 cents per case; by mail, 30 cents; three cases, 75 cents.

THE LATEST VICTORY OF MEDICAL SCIENCE.

The only existing remedy for every spe-cies of Acute or Chronic Disease of the Organs of Respiration, and an absolute SPECIFIC FOR CONSUMPTION! THIS all-powerful vegetable prepara-tion expels from the lungs and air pas-sages, the mucus and muco-pus produced by pulmonary inflammation, heals the irritated membranes, and renovates every organ which utilizes the breath of Life. It contains no stupefying polson, and is in all respects a healthful medi-cine. The rapidity and certainty with which it

ANNIHILATES A COUGH is astonishing. Its effects go deeper than the mere symptoms of pulmonary disease and discharges the cause from the system. Free and painless expectoration is the mode by which it relieves the lungs, chest and throat from the burdens which oppress them; thus arresting Consumption and Bronchittis in the germ before they reach the more dangerous stages. The emaciated sufferer

BATTLING FOR LIFE with the most terrible scourge of our elf-mate will find Fritsch's Prussian Cough Syrup a potent ally, and will assuredly win the fight by adhbring strictly to this great medicine. The

CASES NOW ON RECORD in which it has been administered with entire success as a remody for every va-riety of malady which affects the Re-spiratory Functions, amount to more than

FIVE THOUSAND at the present date, and yet the preparation is only in the infancy of its usefulness. The great defect of all Cough
Remedies hitherto introduced is that
they are simply expulsory. Hence they
are useless; for unless the causes of the
acrid secretions which are coughed up
are removed, and the ruptured, inflamed
or maturated surfaces healed and restored to their natural tone, a cure is
impossible. Fritsch's Prussian Cough
Syrup accomplishes these objects. The
mucus and muco-pus which are the consequence of Lung Disease, are thrown off
by it, while at the same time it soothes
and invigorates the weakened tissues.

"LIFE FOR THE LUNGS." For coughs, colds, influenza, bronchial difficulties, tightness of the chest, hoarseness, sore throat, trachitis, inflammation of the lungs, difficulty of breathing, pleurisy and all disorders of a pulmonary nature, it has never been equaled.

Is the highest achievement in the manufacture of Gold Pens and the result of experiments for more than twenty years. The "RECORD" Pen is produced by a skillful combination of the two precious and non-corrosive metals; 16 ier. Gold and Platinum, while the ordinary gold pen contains an alloy of copper, reducing its fineness with out yielding that elasticity, density and steel like temper which the coatly Platinum supplies. The "RECORD" Gold Pen Points are of the best 'Ridlium. (Diamonds,) indestructible with fair treatment, and polished to glass like smoothness. Steel pen writers have now every rejection to gold fairly overcome, and every requirement is a Pen which will endure and not politice, squarely met. The "RECORD" Gold Pen is guaranteed to possess Durability, Paramanoncy of Spring and Perfection of Point. Price, \$2.50, sold by all Jawelers and Statianers in the United States. If not found order direct from JOHN HOLLAND, Manufacturer, 19 W. 4th St., Cincinnatic
